To: Citizens of Glenn Heights & News Media Representatives

From: Phillip Mark Prasifka, Chief of Police

Date: January 19, 2012

Subject: **Public Service Announcement** – Fifth Annual Pet Registration and Vaccination Clinic – Saturday, January 28, 2012

The City of Glenn Heights will be hosting its fifth annual vaccination and pet registration clinic on **Saturday, January 28, 2012**, at the Fire Department, 1938 South Hampton Road. This year, in an attempt to make it more convenient for our citizens, for currently vaccinated pets, citizens can bring evidence of the valid rabies vaccination between 9:00 a.m. and 11:30 a.m., and you will be able to register your pet with the City of Glenn Heights. Citizens will not be required to bring their spayed or neutered animals with them; the staff will only need the required documentation. If your pet is not currently vaccinated, citizens will be able to have their animals vaccinated between 1:00 p.m. and 3:00 p.m. at the Fire Bay, and then will be able to register their animals with the City at the same time. The cost of City registration, which is required annually by City Ordinance, is \$50.00 for non-sterilized animals, and \$10.00 for sterilized animals with proof of sterilization. City registration fees are waived for Senior Citizens, 65 years of age and older. The cost of a rabies vaccination is \$10.00, which will be administered by a local veterinarian. Additional services will be offered by the veterinarian, such as Parvo and Distemper vaccinations, with combination pricing available. Please be reminded that you only need to bring your pets if they are in need of vaccination. The Animal Control Department believes providing this opportunity to our citizens on a Saturday, making it as convenient and easy as possible to vaccinate and register the citizen's pets, is a great way to help fight against the spread of rabies and educate our citizens on the importance of animal vaccinations. The annual registration requirement also makes it easier for the Animal Control Department to be able to identify animals that have been impounded, to ensure that the animals are returned to their loving owners. If you desire, you can still register your animals before the 28<sup>th</sup> by coming to the Police Department between 8am and 4pm, Monday through Friday. If you have any questions, please feel free to contact Animal Control Officer Nathan Pullin, (972) 223-2107 x261, or by email, [animalcontrol@glennheights.com](mailto:animalcontrol@glennheights.com). The past years' events were extremely successful with many positive comments from our citizens, and the City again looks forward to providing this service for our community.
